

EndoBan®

ENDOTOXIN REDUCER

Reduces the threat of endotoxins to boost performance

EndoBan is an innovative feed additive combining several strategies to reduce the leakage of endotoxins through the gastrointestinal barrier. EndoBan improves animal performance by preventing energy-consuming inflammatory responses.

DISARM THE ENDOTOXINS

Form: Powder
Package: 20kg
Characteristics: Color: Light brown

EndoBan's key distinguishing benefits:

- Improves feed efficiency and growth
- Improves health
- Limits leakage of endotoxins through GIT barrier
- Prevents energy-consuming inflammatory responses

EndoBan's key distinguishing properties:

- One product for all animal species
- Highly stable
- Safe to use from start to finish, in rearing and production
- Can be used in antibiotic-free diets

Dosage level

0.5 - 2 kg / MT complete feed
